

CCXAP assigns BBB_g- to Linyi Lanshan District Finance Investment Group Co., Ltd.'s proposed offshore bonds.

Hong Kong, 4 January 2023 – China Chengxin (Asia Pacific) Credit Ratings Company Limited (“CCXAP”) has assigned an expected senior unsecured debt rating of BBB_g- to the proposed offshore bonds to be issued by Langya Overseas Co., Ltd., an indirect wholly-owned subsidiary of Linyi Lanshan District Finance Investment Group Co., Ltd. (“LSFI” or the “Company”) (BBB_g-/stable), and unconditionally and irrevocably guaranteed by LSFI.

The bonds constitute direct, unconditional, unsubordinated, and unsecured obligations of LSFI, which shall at all times rank pari passu with all the Company's other present and future unsecured and unsubordinated obligations. The Company intends to use the proceeds for project investment and to supplement the Company's working capital.

Rating Rationale

LSFI's senior unsecured debt rating is equal to its long-term credit rating. We believe that government support will flow through the Company given its strategic role in the economic and industrial development in Lanshan District, thereby mitigating any differences in an expected loss that could result from structural subordination.

Rating Methodology

The methodology used in this rating is the Rating Methodology for [China's Local Infrastructure Investment and Financing Companies \(July 2022\)](#).

Regulatory Disclosures

CCXAP's Rating Symbols and Definitions are available on its website at:
