

CCXAP assigns BBB_g+ to Fujian Jinshang Holding Group Co., Ltd.'s proposed USD sustainable bonds.

Hong Kong, 24 March 2025 – China Chengxin (Asia Pacific) Credit Ratings Company Limited (“CCXAP”) has assigned a senior unsecured debt rating of BBB_g+ to the proposed USD sustainable bonds to be issued by Fujian Jinshang Holding Group Co., Ltd. (“FJHG” or the “Company”) (BBB_g+ /stable).

The bonds will constitute direct, unsubordinated, unconditional, and unsecured obligations of FJHG, which shall at all times rank pari passu with all the Company’s other present and future unsecured and unsubordinated obligations. The Company intends to use the proceeds for projects construction and replenishing working capital in accordance with the NDRC Certificate and the Sustainable Finance Framework.

Corporate Profile

Founded in 2019, after the consolidation of other state-owned enterprises in Jinjiang City, FJHG has become one of the major local infrastructure investment and financing companies (“LIIFCs”) in Jinjiang City. The Company primarily engages in engineering construction of industrial parks as well as utilities businesses including water supply and pipeline construction. The Company also engages in some commercial activities such as construction of self-operated industrial parks, leasing and sale of commercial stores, as well as wholesale and property management. As of 30 September 2024, the Company was wholly owned by Fujian Jinjiang Industrial Development Investment Group Co., Ltd. (“FJID”) and ultimately controlled by Jinjiang City Finance Bureau.

Rating Rationale

FJHG’s senior unsecured debt rating is equivalent to its long-term credit rating. We believe that government support will flow through the Company given its role as most important entity for industrial development and public utilities services in Jinjiang City, thereby mitigating any differences in an expected loss that could result from structural subordination.

The BBB_g+ long-term credit rating of FJHG reflects Jinjiang City Government’s (1) very strong capacity to provide support; and (2) high willingness to provide support, based on our assessment of the Company’s characteristics. Our assessment of Jinjiang City Government’s capacity to provide support reflects the Jinjiang City’s strong comprehensive strength, ranking 8th by comprehensive strength among the 2024 top 100 counties (including county-level cities) in China, with ongoing growth in economic and fiscal strength.

The rating also reflects the local government’s willingness to provide support, which is based on the Company’s (1) important position in industrial development and public utilities services in Jinjiang City; (2) reasonable debt leverage; and (3) track record of receiving government support. However, the rating is constrained by the Company’s (1) medium exposure to commercial activities; (2) high reliance on non-standard financing; and (3) moderate asset liquidity.

Rating Outlook

The stable outlook on FJHG's rating reflects our expectation that Jinjiang City Government's capacity to provide support will remain stable, and the Company will maintain its important position in industrial development and public utilities services in Jinjiang City over the next 12 to 18 months.

What could upgrade the rating?

The rating could be upgraded if (1) Jinjiang City Government's capacity to support strengthens; and (2) the Company's characteristics change in a way that strengthens the local government's willingness to support, such as increase in market position, or decrease in exposure to commercial activities.

What could downgrade the rating?

The rating could be downgraded if (1) Jinjiang City Government's capacity to support weakens; or (2) the Company's characteristics change in a way that weakens the local government's willingness to support, such as decrease in market position, or material decrease in government payments.
